HOUSE OF BLOCKBUSTER BRANDS

RANBAXY

OUR QUALITY VISION

Our vision is to globalize, harmonize and simplify GxP processes to ensure a sustainable quality culture. At Ranbaxy, we work towards continuous improvement of our products in terms of quality, product availability etc. We believe in high quality standards. We use the best practices to ensure consistent, high quality products are being delivered to the patients at affordable prices.

OUR QUALITY PRACTICES

We have established global level documentation structure to ensure harmonized processes, methods and strategies. This concept enables planning, monitoring, and facilitating continuous improvement of product quality supporting regulatory compliance.

GLOBAL QUALITY METRICS

The global quality metrics represent a selection of statistical analysis which have been agreed to at a global level. As part of innovation and continuous improvement, the selected quality indicators are monitored, measured and analysed on a routine basis.
